

The only company to pick up two accolades at the 2009 Streaming Media European Readers Choice Awards, *FlyOnTheWall* is widely acknowledged as one of Europe's leading streaming media production companies.

Winners of '**Best Live Webcast**' and '**Best Streaming Services Provider**', *FlyOnTheWall* specialises in professional video production, event broadcasting and streaming media production.

Whatever the platform - live and on-demand webcasts, satellite link-ups or podcasts - we deliver content to viewers with unrivalled reliability.

Clients include a broad range of government and private sector organisations across Europe. Flagship webcasts include the crucial G20 London Summit and the 2010 Afghanistan London Conference.
